Dear FDCH Parent/Guardian:

This letter is intended for parents or guardians of children enrolled at a family day care home. Your day care home provider offers healthy meals to all enrolled children as part of our participation in the U.S. Department of Agriculture's (USDA) Child and Adult Care Food Program (CACFP). The CACFP provides reimbursements for healthy meals and snacks served to children enrolled in childcare. Please comply with the requirements of the CACFP by completing the attached Household Income Eligibility Statement (HIES) Form.

**1. Am I required to complete a HIES for my child(ren) to receive CACFP Benefits?** No, but if you choose to do so, your provider may receive a higher reimbursement for the meals served to your child. If you do complete the form, you have the option of returning it directly to your Provider or to the Provider's Sponsor, Mid Michigan Child Care Centers. If you would like to provide your form directly to the sponsor, return the completed form to: Mid Michigan Child Care Centers, P.O. Box 610, Freeland, MI 48623.

**\_\_\_ Initial here if you consent to allowing your day care home provider to collect your HIES in a sealed envelope along with this consent and provide it to the Sponsor. Your provider will not review your form.**

**2. Do I need to fill out a HIES for each of my children in day care?** You may complete and submit one CACFP HIES for all children enrolled in childcare in your household only if the children in childcare are enrolled in the same home. We cannot approve a form that is not complete, so be sure to read the instructions carefully and fill out all required information.

**3. Who qualifies for the higher reimbursement without providing income information?** Your provider will receive a higher reimbursement for meals served to foster children and children in households getting Food Assistance Program (FAP - formerly Food Stamps), Family Independence Program (FIP) or Food Distribution Program on Indian Reservations (FDPIR). Other categorically eligible programs include: Special Supplemental Nutrition Program for Women, Infants, and Children (WIC), Head Start participants, The Emergency Food Assistance Program (TEFAP), and National School Breakfast and Lunch Program.

**4. Who qualifies for the higher reimbursement based on income?** Your provider may receive a higher reimbursement for the meals served to your children if your household income is within the reduced-price limits on the federal income eligibility guidelines, effective July 1, 2024, until June 30, 2025, shown below:

Family Size	Yearly Income	Monthly Income
1	\$27,861	\$2,322
2	\$37,814	\$3,152
3	\$47,767	\$3,981
4	\$57,720	\$4,810
<b>For each additional family member add:</b>	\$9,953	\$830

Refer to the Instructions for FDCH Parents/Guardians Household Income Eligibility Statement on how to complete the HIES. Find the category that most closely defines your household and follow the directions for completing each part of the HIES. If your household income is greater than the levels shown on the above CACFP income guidelines, it is not necessary for you to complete the HIES.

Your family may be eligible to receive health insurance, called **MiChild**, through the State of Michigan. MiChild is a health insurance program for uninsured children of Michigan's working families. To determine if your family is eligible, call 1-888-988-6300 for an application or access an online application at the MI Child website (www.michigan.gov/michild). You can also access the MiChild brochure that briefly explains the insurance program.

Your family may be eligible to receive Women, Infants & Children (WIC), a health and nutrition program, that has demonstrated a positive effect on pregnancy outcomes, child growth and development. To determine eligibility, call 1-800-26-BIRTH or access online information at Women, Infants, & Children (WIC) website (<http://www.michigan.gov/wic>) to learn about WIC and locate a local WIC agency.

**5. May I fill out a form if someone in my household is not a U.S. citizen?** Yes. You or your children do not have to be U.S. citizens to qualify for meal benefits offered at the day care home.

**6. Who should I include as members of my household?** You must include everyone in your household (such as grandparents, other relatives, or friends who live with you) who shares income and expenses. You must include yourself and all children who live with you. You also may include any foster children living with you.

**7. How do I report income information and changes in employment status?** The income you report must be the total gross income listed by source for each household member and the frequency the income is received. If recent income does not accurately reflect your circumstances, you may provide a projection of your income. If no significant change has occurred, you may use last month's income as a basis to make this projection. If your household's income is equal to or less than the amounts indicated for your household's size on the federal income eligibility guidelines listed above, the family day care home will receive a higher level of reimbursement. Once properly approved for the higher reimbursement rate, whether through income or by providing a current FAP, FIP, FDPIR case number, or listing the name of other categorically eligible programs, you will remain eligible for those benefits for 12 months. You should, however, notify us if you or someone in your household becomes unemployed and the loss of income unemployment causes your household income to be within the eligibility standards.

**8. What if my income is not always the same?** List the amount that you normally receive. For example, if you normally receive \$1,000 every two weeks, but you missed some work in the last two weeks and only received \$900, put down that you receive \$1,000 per every two weeks. If you normally receive overtime, include it, but not if you only receive it sometimes.

**9. What if I have foster children?** Foster children that are under the legal responsibility of a foster care agency or court automatically qualify for the higher reimbursement. Any foster child in the household qualifies regardless of income. Households may include foster children on the HIES but are not required to include payments received for the foster child as income.

**10. We are in the military; do we include our housing and supplemental allowances as income?** If your housing is part of the Military Housing Privatization Initiative and you receive the Family Subsistence Supplemental Allowance, do not include these allowances as income. Also, in regard to deployed service members, only that portion of a deployed service member's income made available by them or on their behalf to the household will be counted as income to the household. Combat Pay, including Deployment Extension Incentive Pay (DEIP), is also excluded and will not be counted as income to the household. All other allowances must be included in your gross income.

In the operation of child feeding programs, no person will be discriminated against because of race, color, national origin, sex, age or disability.

If you have other questions or need help, call 1-800-742-3663.

Sincerely,  
Mid Michigan Child Care Centers

**Instructions for FDCH Parents/Guardians  
Household Income Eligibility Statement**

**If you are applying for foster child(ren) only, follow these instructions: Part 1:** Do not complete.

**Part 2:** List name, age, and birth date of foster child(ren); check the box for foster child.

**Part 3:** Sign and date the form. The last four digits of a Social Security Number are not necessary.

**If your household receives Food Assistance Program (FAP), Family Independence Program (FIP), Food Distribution Program on Indian Reservations (FDPIR) benefits, or other categorically eligible program, follow these instructions:**

**Part 1:** List the name and case number for any household member (including adults) receiving FAP, FIP, FDPIR, or other categorically eligible program.

**Part 2:** List the name, age, and birth date for all children enrolled in day care.

**Part 3:** Sign and date the form. A Social Security Number is not necessary.

**Note:** Benefits received under Medicaid, Women Infant and Children (WIC), or Department of Health and Human Services (DHHS) Child Care Assistance Program (where DHHS pays a portion of your childcare expense) does not automatically qualify for Tier I meal reimbursement to your provider.

**All other households, including households where some of the children are foster children, follow these instructions (not required if household is over the income limits and don't have any foster children):**

**Part 1:** Do not complete.

**Part 2:** List the names and ages of everyone (related or not related) living in your household, including you, other adults and children (If you need more space, use a separate sheet of paper)

Place a X in the column for all children enrolled in childcare. List

household members' ages and dates of birth.

Place a X in the next column if children in the household are foster children.

If no case number is indicated in Part 1, list (by person) the amount and source of income that person receives and the frequency the income is received. List earnings **before** deductions, welfare benefits, child support or alimony or any other income including retirement, Social Security, Supplemental Security Income (SSI), Veteran's (VA) benefits, disability benefits, Worker's Compensation, unemployment, strike benefits, regular contributions of people who do not live in your household or any other income.

Place a X in the box for those listed who do not have any income.

If you are in the Military Housing Privatization Initiative or receive Combat Pay, do not include the housing allowance as income.

Foster child payments received by the family from the placement agency are not considered income and do not have to be reported. The presence of a foster child in a family does not make all children in the household automatically eligible for Tier I meal reimbursement.

If you are a farmer or self-employed, income is gross farm or business income received in the month prior to application minus farm or business expenses. Gross wages from other jobs or income from other sources must also be listed as income. A loss from self-employment must be listed as zero income and cannot reduce other income.

**Help Determining Annualized Income**

If your household receives income at different frequencies (i.e. one person may receive monthly retirement income and another may receive weekly pay checks) then all income must be annualized. Use the following chart to annualize income:

If paid every week, multiply the total gross income by 52.

If paid every two weeks, multiply the total gross income by 26. If paid once a month, multiply monthly income by 12.

If paid twice a month, multiply the total gross income by 24. If paid once a year, enter yearly income amount.

**Part 3:** Sign and date the form and list the last four digits of your Social Security number or check the Box indicating "I do not have a Social Security number."

Return the completed application to the Family Day Care Home Sponsor.

## **Privacy Act Statement**

The Richard B. Russell National School Lunch Act requires the information on this application. You do not have to give the information, but if you do not, we cannot approve the participant for free or reduced-price meals. You must include the last four digits of the Social Security Number of the adult household member who signs the application. The Social Security Number is not required when you apply on behalf of a foster child or you list a Food Assistance Program (FAP), Family Independence Program (FIP), or Food Distribution Program on Indian Reservations (FDPIR) case number for the participant or other FDPIR identifier or when you indicate that the adult household member signing the application does not have a Social Security Number. We will use your information to determine if the participant is eligible for free or reduced-price meals, and for administration and enforcement of the Program.
